## Native Born USA Asian Entertainment Technology Hackathon

Do you have entertainment and technology skills? Let's consider creating an Asian entertainment technology hackathon and let's create something. It has to be Asian, entertainment, and technology related. It should have some computer graphics and interactive techniques to it like Siggraph.

We are looking for sponsors for the event as well.

We are currently building up a technology hackathon team. If you want to be part of a Native Born USA Asian Team, then email me.

We want new forms of storytelling inspired by Emerging Technologies.

We are looking for hardware & software developers for an event similar to a Native Born USA's Magical Entertainment Hackathon using the following tools:

Intel Edison Hackathon (IoT - Internet of Things)

Looking for 64-bit developer

c++, Arduino, Javascript, Python developers

Native Born USA's Magical Entertainment media labs:

Looking for media developers to create: "New Forms of Storytelling Inspired by Emerging Technology"

1. Wearable technologies
2. Content finds the consumer
3. The connected car
4. The Internet of things (IoT)
5. The technologies of storytelling
6. Devices disrupt traditional media distribution
7. Augmented reality/virtual reality (Web / Immersive Media)

We are also looking for event planner volunteers and regular volunteers to help out build meetups, etc.  
Send your resume and email to [pcrushelpdesk@gmail.com](mailto:pcrushelpdesk@gmail.com)

They can be any performer who wants to be discovered in Hollywood or just want to do this for fun. You need to start collaborating now with talent, crew, etc.

Tell all your friends and let them know to come here first.

Here's your chance.

Monday – Friday = Do your regular job

Saturday and Sunday = We do the filming on weekends

If you work on weekends, etc. and can't make it then we will work around your schedule if we can.

Native Born USA's Magical Entertainment is willing to film people in the San Gabriel Valley who wants to be a Youtube star, etc. Get out of background and be a real actor. Come here to be filmed. Start working and build up your demo reel.

If you can't get a job at Comcast NBC Universal, Disney, Warner Brothers, etc. then why not give us a chance. We are looking for a bunch of volunteers to help out. Perhaps one day, this opportunity will help you down the road to work at a major studio. I like this casting agency to be an Asian Dream-works one day.

Invest in your career today. Be someone. Let us help you out.

Come support and volunteer for Native Born USA's Magical Entertainment.

A new production studio working with you to help build your career.

We are also looking for restaurants to sponsor our entertainment industry events/parties.
